

OUR STORY

You are currently in Adelaide Railway Station's restored Grand Public Dining Hall, where history meets today over an ice cold beverage.

Here at The Guardsman we're always searching for the finest local produce our proud state of South Australia has to offer, and you can be damn sure that each dish is cooked and served with love.

Sample food from our state's best loved regions, from Wagyu Beef from the Limestone Coast to South Australia's very own world famous Coffin Bay oysters. We've even put our very own spin on a South Australian icon, with the creation of The Guardsman Fruchoc dessert.

It might take you a few trips to discover your favourites, but remember, you're always welcome at The Guardsman.
